

Are you flood resilient?

1. Find out if you're at risk of flooding

www.gov.uk/check-flood-risk

2. Sign up for flood alerts and warnings

www.gov.uk/sign-up-for-flood-warnings or telephone 0345 988 1188

Flood Alert

Flooding is possible.
Be prepared.

Flood Warning

Flooding is expected.
Immediate action required.

Severe Flood Warning

Severe flooding.
Danger to life.

Understand the different flood warning codes and know what to do when you receive one

3. Prepare a flood plan for your home, community or business

4. Sign up to being a flood warden call 01622 212409.

5. Prepare a flood kit containing essential items you may need if told to evacuate

6. Install property level protection to make your home more resistant and/or resilient to flooding. See www.bluepages.org.uk for a range of flood protection products.

7. Ensure you have adequate flood insurance to protect your home and your belongings

8. Know where to go for information during a flood incident:

- You can check live river levels online at www.flood-warning-information.service.gov.uk/river-and-sea-levels
- Monitor news and weather forecasts
- Call Floodline for up-to-date information on flooding 0345 988 1188
