What to do before, during and after flooding

FLOODS DESTROY
BE PREPARED

Before

- Create a Personal Flood Plan
- Move valuables to higher ground
- Know the Flood Warning Codes
- Get a flood kit together and keep it handy

During

- Stick together
- Help vulnerable residents if you can
- Avoid walking or driving through flood water
- Protect what you can…
- … but evacuate when told

After

- Contact your insurance company
- Only throw things away when told to
- Record all damage
- Clean your property using ordinary cleaning products

One in six properties is at risk
